

Transportation Research Board Annual Meeting

**DRAFT AGENDA**

**Committee on Traffic Flow Theory and Characteristics (ACP50)**

Monday, January 9, 1:30PM -5:30PM ET

*The meeting duration is only 1 hour and 45 minutes following TRB new regulations. The agenda has been adjusted, and some reports will be provided mainly in writing with only the headlines discussed during the meeting. Those are identified by a (W) in the agenda.*

*Also, the minutes of the two last meetings have been approved electronically by the committee members and can be found online:*

- *Committee Meeting of January 11, 2022 (onsite + virtual meeting)*
- *Committee Meeting of August 23, 2022 (virtual meeting)*

*A zoom link is available for those who cannot attend in person. Please be aware that we cannot guaranty the quality of the internet connection in the convention center. For this reason, only questions in the chat will be considered during the meeting.*
