MANHATTAN EXPRESS ~

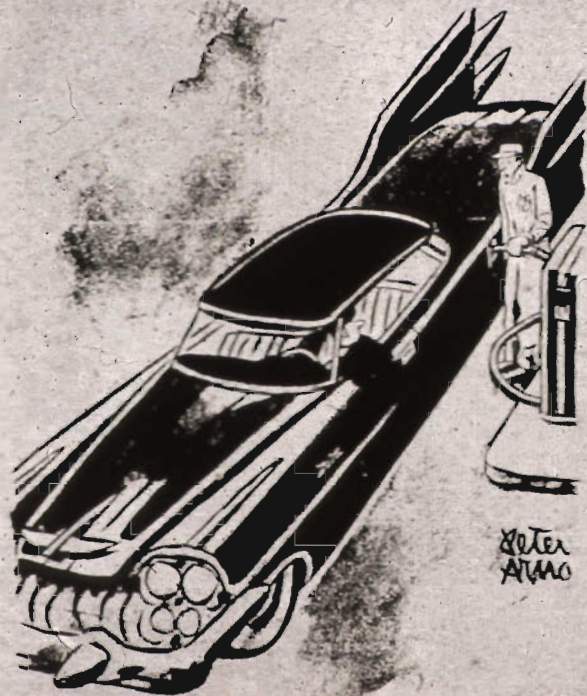

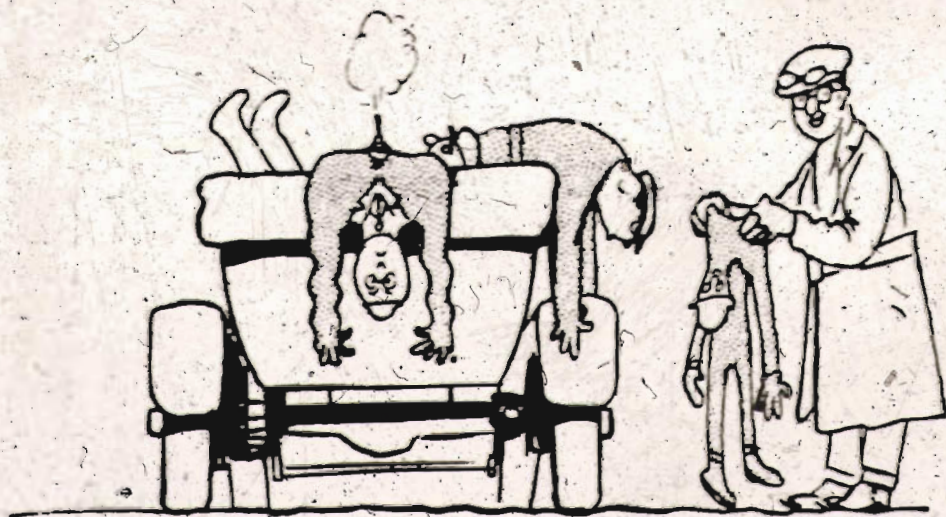

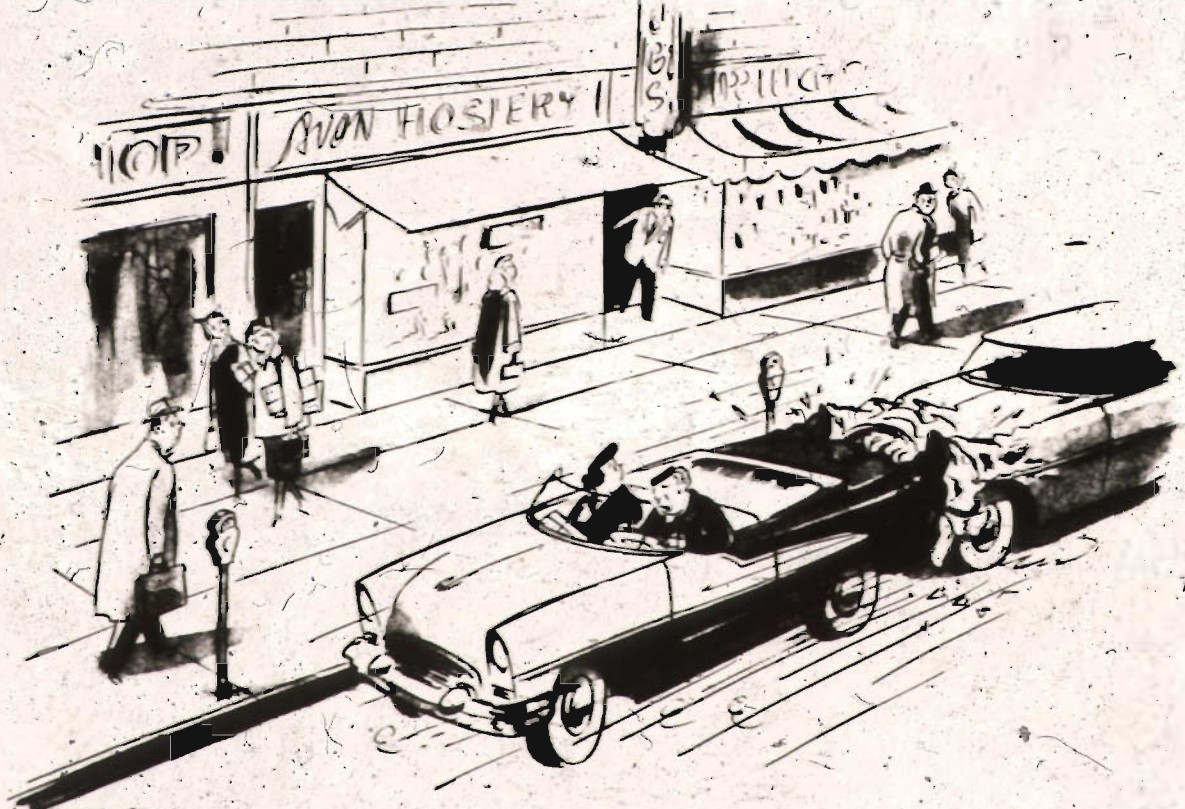

ne motorists of Claremont, Cal., are bewailing the undue activity of the police and have taken measures to warn brother motorists.

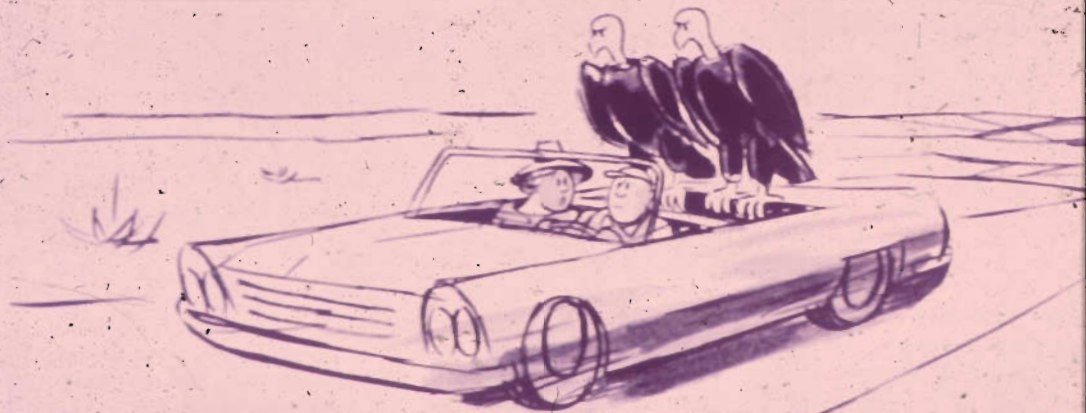

"Would you mind turning your motor off, sir? You're gaining on me!"

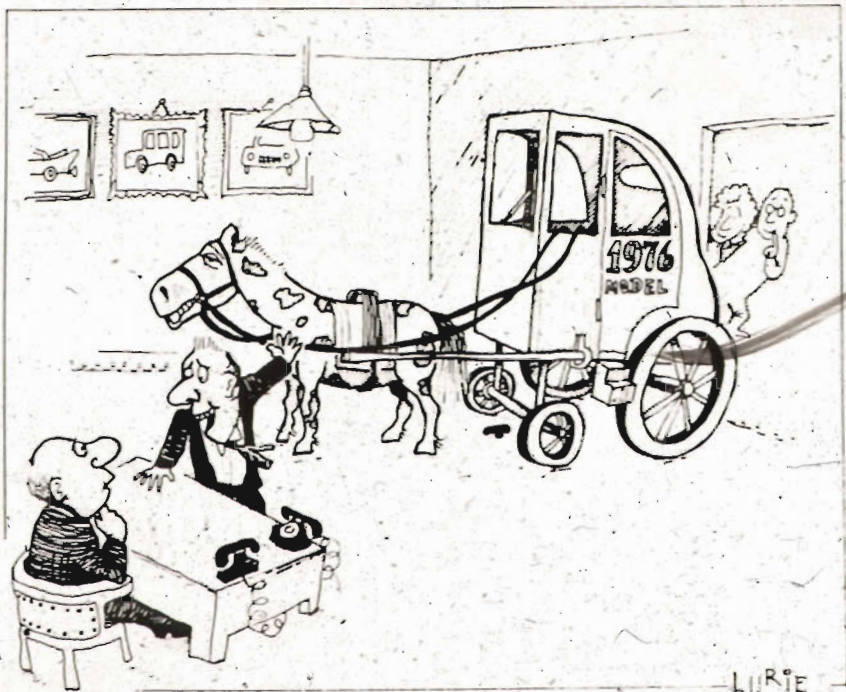

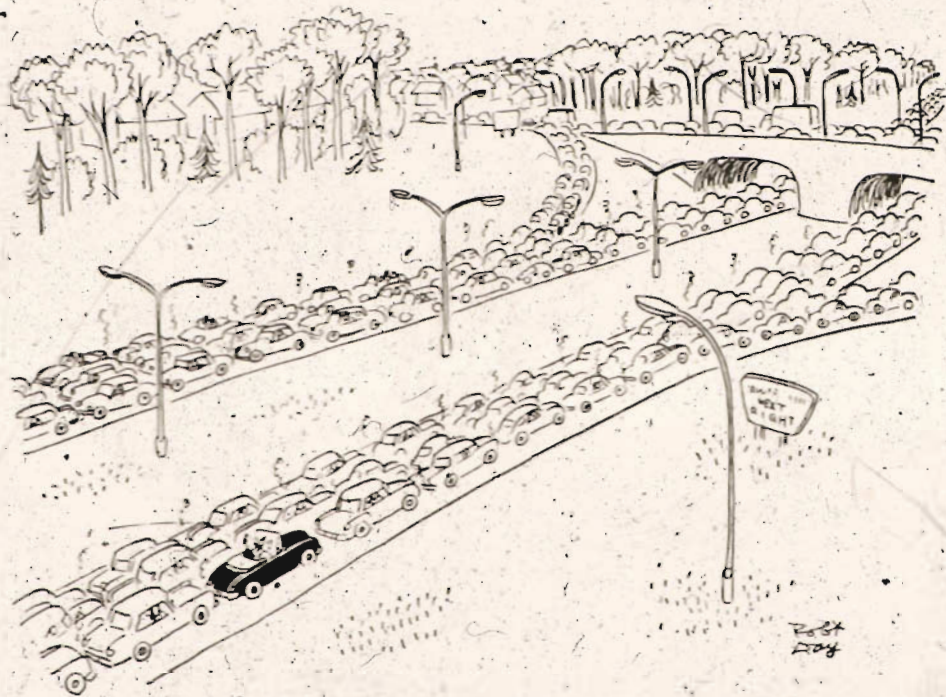

*Handwritten signature*

*"Are you sure the gas gauge is working?"*

"Well, at least the air will be cleaner"

'Well, if it wasn't for automation we wouldn't have all this leisure time.'

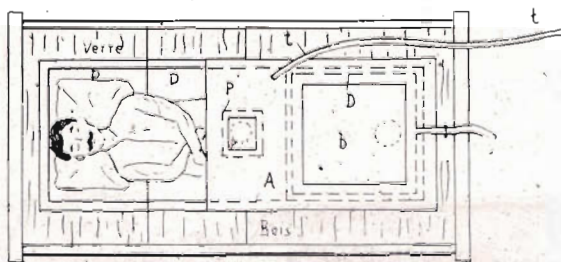

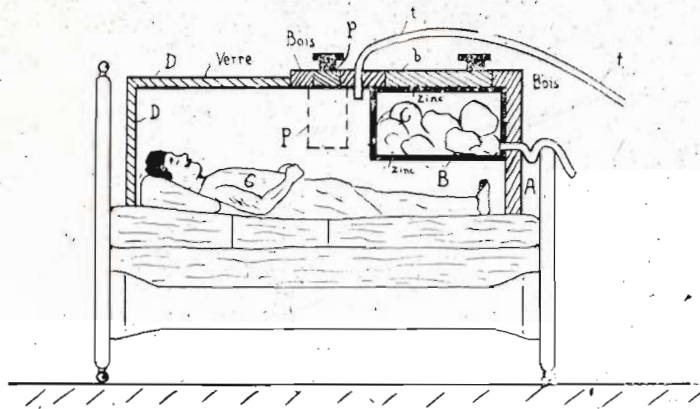

*"Did you ever know it to fail? No matter how bad the jam, there's  
always some damn fool behind trumpeting."*

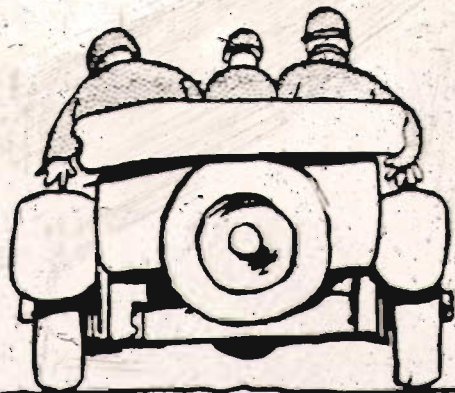

*"I'm sorry, Mr. Richards, but I'm giving up the course."*

Coupe en élévation.

Vue en plan.

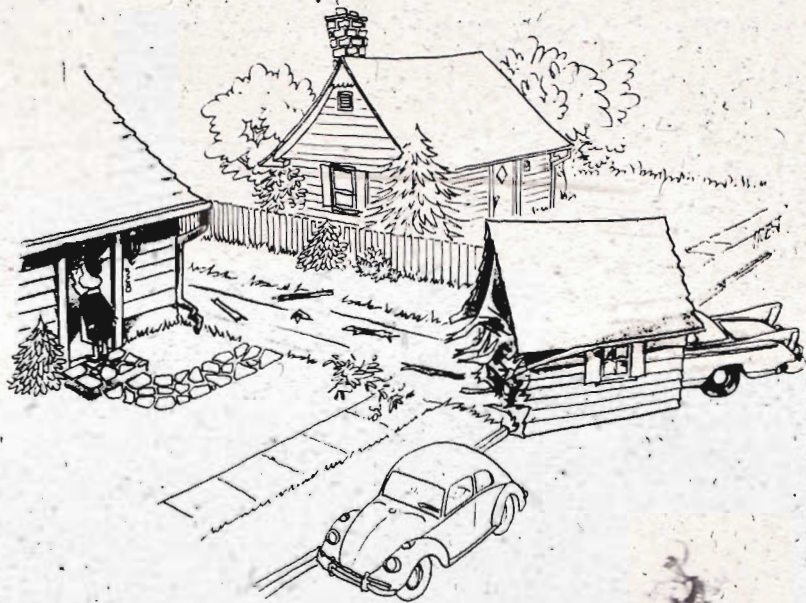

*They provide an excellent foil to the impertunate "lift adder."*

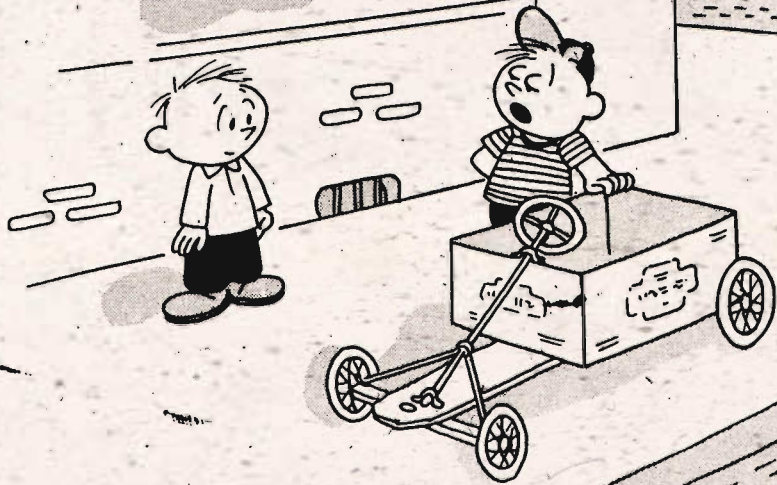

O'BRIAN

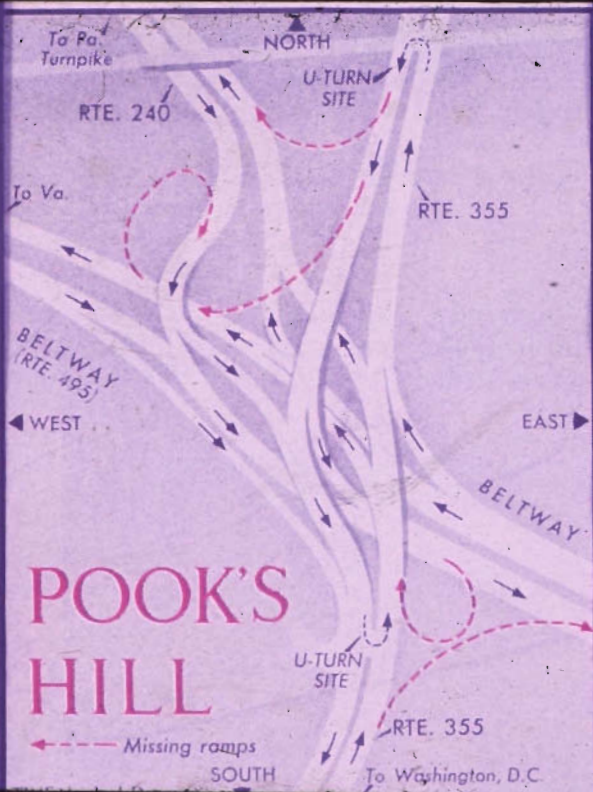

"Honey, could you help me get the car out of the garage?"
